

ALBERTA PREMIER SWORN IN

Hon. A. C. Rutherford, of Strathcona, Asked to Form the First Executive Council—First Proclamation of the Lieutenant-Governor of Alberta

The Lieutenant-Governor announced this morning that in pursuance of the duties of his office he had called upon A. C. Rutherford, M.L.A., of Strathcona, to form the first executive council for the Province of Alberta. Mr. Rutherford had accepted and was sworn in. He had asked for and had been accorded the privilege of a few days delay before submitting the names of colleagues whom he suggested, but in order that there might be as little delay as possible in the transaction of public business His Honor the Lieutenant-Governor hoped to be able to make an announcement early next week of the full executive council.

While under the Autonomy Bill provision is made for continuing public officers that public business may be carried on, His Honor considered that as the public generally is not cognizant of the provisions the following proclamation should be issued:

PROCLAMATION
BY HIS HONOR, GEO. H. V. BULYEA, LIEUTENANT-GOVERNOR OF THE PROVINCE OF ALBERTA.
TO ALL TO WHOM THESE PRESENTS SHALL COME OR WHOM THE SAME MAY CONCERN:
GREETING.

WHEREAS, His Excellency, the Governor-General-in-Council has been pleased under Commission under the Great Seal of Canada, in date of the 24th day of the month of August, in the City of Ottawa, in the Dominion of Canada, to appoint me, Lieutenant-Governor in and for the

Province of Alberta, one of the provinces of the Dominion of Canada, according to the provisions of the British North America Act, 1867, and especially in conformity with the Sections (68) and (69) of the said Act, and to establish me in authority, power and command to fulfil and execute in a fitting manner all matters issuing from my said command, and from the charge entrusted to me, according to the several powers conferred upon me, by and in virtue of the said Act, and of all other Statutes relating thereto, and from my present commission, conformably to the instructions accompanying it, or which may, from time to time, be given to me respecting the said Province of Alberta, and conformably to such laws which are, or may be in force in the said Province of Alberta.

NOW KNOW YE that I have, in consequence, judged it proper to issue this Proclamation to announce my appointment, and also, I do request, require and declare, by these presents, that all and every officer of His Majesty in the said Province of Alberta, continue in the exercise of their diverse and respective functions, and that the loyal subjects of His Majesty, and all others whom these presents may concern, take knowledge thereof, and govern themselves accordingly.

GIVEN UNDER MY HAND AND SEAL at Edmonton, this 2nd day of the month of September, in the year of our Lord, one thousand nine hundred and five, and in the fifth year of the reign of His Majesty.
GEO. H. V. BULYEA,
Lieutenant-Governor.

BRITISH CONGRATULATIONS

Karl Grey received the following cablegram last night from Sir Alfred Littleton, Colonial Secretary:

"His Majesty's Government send best wishes for prosperity and advancement of Alberta"

Signed "LITTLETON."

THE INAUGURAL CELEBRATION

Despite threatening weather on Thursday evening and a cloudy morning yesterday, the inaugural celebration was a glorious "Sunny Alberta" day left nothing to be desired in this regard.

The program was carried out with enthusiasm, no hitch occurred and the celebration was in every way the success it was expected and hoped to be. It is estimated that 12,000 people witnessed the opening ceremony on the grounds yesterday at noon and the crowd during the afternoon at the sports was scarcely less. Owing to lack of time the driving club machine, which was billed for the afternoon find to be postponed until this afternoon.

DECORATIONS.

Never has the city gone in so lavishly for decorations. Magnificent arches spanned the streets, trimmed with evergreens, sheaves of grain and bunting. From every business house along Jasper avenue and from the public buildings, flags floated in the breeze and festoons of bunting swung from the windows of large blocks. Every window contained a special display showing forth the productive resources of Alberta. The residential portions of the city were not behind the business section and along every street flags and bunting fluttered, while Chinese lanterns dangled from verandas and trees.

ILLUMINATIONS.

Jasper avenue last evening was a scene of brilliance and animation. From the buildings on either side hung rows of incandescent lights of red, white and blue interspersed, and the new arc lights burned steadily and brightly and the arches were splendidly illuminated. Free light was granted all users and every residence was a blaze of light. The front of

the fire hall was most elaborately arranged with nothings and designs in colored lights; along the tower of the Alberta Hotel successive rows of incandescents were strung, from the Walker block hung flashing festoons, the Bank of Commerce, Bank of Montreal, Merchants Bank, Imperial Bank, all had similar illuminations, on the front of the McDougall & Scott block a large design was delineated while the fronts of the large new Hudson Bay block and Revillon Bros. blazed with a multitude of colored stars. The Windsor had an attractive display and Alberta College, the headquarters of the celebration, was outlined and hung with strings of lights.

GRAND CONCERT

The concert on Thursday evening was the best ever given in Edmonton and those who gave their time to its preparation deserve not a little credit for the program they rendered on Thursday evening. The entertainment was worthy the occasion, and the city of Edmonton has good reason to be proud of the entertainment prepared for the Vice-Royal party and other distinguished visitors. The rink was packed to the doors with an audience that must have delighted those who were taking part in the entertainment.

The arrival of the Governor-General and party was the signal for a hearty reception for the King's representative in Canada. Earl Grey was escorted to his seat by His Worship Mayor Mackenzie, God Save the King was sung and the concert was started.

During the first number of the orchestra, Sir Wilfrid Laurier, Lady Laurier, Hon. Wm. Patterson, and Sir Gilbert Parker, member of the British House of Commons, arrived and the appearance of the Premier was the signal for an outburst of cheering which was taken up heartily by the audience and Sir Wilfrid was given a most cordial reception.

MAMMOTH PARADE.

At 9.30 yesterday the parade formed up at the immigration hall and, under Marshal Wm. Ibbotson, marched west along Jasper to McDougall street, south to College avenue, west to Third street, north to Jasper, and to McDougall and down Ross grade to the fair grounds. The length of the procession may be gathered from the fact that the head of the parade reached the corner of McDougall and Jasper after completing the circuit before the entire procession had passed the corner. The order of parade was:

Marching band, preceded by a Red River cart.
Aldermen and city commissioners in carriages.
South African veterans.
Edmonton fire department.
City band.

Nine large floats, carrying the smaller school children. The floats were elaborately decorated and with the children bearing flags and cheering, presented a scene of rare beauty. The mottoes on the vans were very appropriate and read: "We'll grow." "The coming citizens." "Prairie Flowers." "We greet you." "Men of the North." "Young Canada." "Sunny Alberta." "The rising generation." "The Hope of Canada."

Larger school children on foot marching four abreast to the number of 1200. With those on the floats it is estimated that 1500 hundred children at least were in the parade.
Children's ambulance.
Farmers' Society of Equity, preceded by wagons decorated with grains and grasses.

Float advertising Oelner's beer.
Strathcona band.
United Brotherhood of Carpenters and Joiners.
Blacksmith's union.
Float advertising La Palma cigars.
Painter's union.
Plumber's union.
Armstrong's baggage transfer advertising van.

Fort Saskatchewan Rough Riders.
St. Jean Baptiste Society.
Float with figure representing the "Sovereign Province."
St. Albert band.
German society.
Citizens on foot, mounted and in carriages.

EARL GREY PRESENTED WITH AN ADDRESS.

The Governor-General and party arrived on the grounds promptly at eleven o'clock and their entrance was greeted with cheers. His Excellency was driven over to the Mounted Police at the far side of the grounds and he inspected the three squadrons and the manned guns. After the inspection His Excellency was driven over to the flag planted at the south end of the platform, where the review and march past took place. The rapid and military-like movements of the two hundred red-coated mounted men made an imposing spectacle indeed and aroused the enthusiasm of the crowd to a high pitch. When the thin red line galloped up toward the grand stand they presented a magnificent battle picture, and as the guns galloped off the grounds and up the hill toward the Hudson's Bay Fort to fire the salute, the sight was one not soon to be forgotten, especially by the boys and girls who watched it with admiring eyes.

Sir Wilfrid Laurier arrived during the military manoeuvres and was greeted with cheers by the thronging multitude assembled for the ceremony.

At 11.45 Mayor Mackenzie mounted the platform, accompanied by Earl Grey and party, Sir Wilfrid and Lady Laurier, Hon. Wm. Patterson, Sir Gilbert Parker, Mr. Wm. Mackenzie, Mr. Byron Walker and others.

The mayor then presented an address to the Governor-General. Earl Grey, in rising to reply, said: "I thank you for the welcome with which you have received me as the representative of His Majesty the King, and hope that my good fortune may cause me to pay frequent visits to your beautiful city. The pleasure."

MR. PETERSON DENIES**COMPLICITY IN THE DEAL**

Had no Part in Side Tracking the Edmonton Exhibit

To the Editor Bulletin,
Edmonton:

Dear Sir—I am informed that the following paragraph occurs in an article published in the Bulletin dealing with the agricultural exhibit of Alberta at the Toronto Fair:

"The alternative is that Secretary Peterson, of the Calgary Board of Trade, was given full charge of the matter and is accordingly responsible personally, officially, or in collusion with the company for side-tracking the Edmonton and Strathcona districts."

It is seldom that I go out of my way to correct newspaper criticisms, but partly owing to the glaring injustice of your statements, and chiefly in the interest of more harmonious relations between the people of the north and the people of the south, I have decided to break a rule I have adhered to for some years.

The Calgary board of trade made application to the C. P. R. for free transportation of an exhibit to the Toronto Fair. We were informed that arrangements could probably be made whereby a baggage car could be placed at the disposal of the Edmonton and Calgary boards of trade, each utilizing one half thereof. On the strength of the evident desire of the local officials to arrange such an exhibit, we at once proceeded to prepare it, pending a definite reply. This we received presumably at the same time as Edmonton did, namely a day or two before the exhibits were to be shipped. The separate car proposal fell through at the last moment and our exhibit went forward in crates.

I cannot hold myself responsible for the actions of the C.P.R. I have trouble enough of my own. I do, however, desire to state as emphatically as I am able to, that I was heartily sorry to hear that Edmonton had decided not to send an exhibit and that I had looked forward to an agricultural display at Toronto representing the whole province and worthy of the occasion. Had it been possible for me to take any action personally, officially, or in collusion with the company or any one else, to assist the Edmonton board of trade in this matter, I should certainly have done so unhesitatingly, both as a matter of common courtesy and in the interest of the Calgary board of trade.

In my opinion, Mr. Editor, the Province of Alberta cannot afford to studiously disregard a "South vs. North" feud. While Calgary and Edmonton may not agree on all subjects, and I could name some off-ends where good grounds might exist for disagreement, it would be a commentary on the intelligence of the two sister cities if jealousies should be permitted to run rampant to such an extent that deliberate efforts should be made by one to prevent the other from exhibiting the resources of its district in Eastern Canada, where we all are so deeply interested in advertising the West.

I am, perhaps, too obtuse to take the narrowest view of the situation; but it occurs to me that the commercial interests of Calgary or Edmonton are not confined to the immediate area surrounding each city and also, that settlement going into any portion of Alberta must of necessity confer a direct benefit on these centres. Why, therefore, should there be strife? The cause of colonization is a common one, if our commercial aspirations are well founded. If not, let us descend to the level where we belong and adopt village tactics.

Yours faithfully,
CHAS. W. PETERSON.

When I go to so
much trouble get-
ting the best tobacco
in Cuba for the filler of
my Pharaoh cigar, it would be very
short-sighted to spoil it with a cheap
binder and wrapper.

Of course the binder and wrapper are only about 20 per cent.
of the cigar, but I do not let that small portion drop below the
high standard I have set for the other 80 per cent. of my

Pharaoh Cigar.

To hold the filler together I use a Connecticut broadleaf
binder. This is the best binder money can buy.

I import direct from Holland a specially selected Sumatra
wrapper—a genuine, clear leaf—the finest wrapper grown.

It is this personal care which I give to every detail in the
manufacture of my Pharaoh cigar that makes it such a superior
smoke. It is a full flavored, palatable, mellow cigar. Price 10c.

None genuine unless branded "Pha-ro."

INAUGURAL HYMN

[To be sung in the city churches at tomorrow's services. Tune: St. Asaph or All Saints].

Great God, our fathers worshipped Thee
And Thou to them didst give
This goodly land of Canada,
Washed by the sea;
But Thou hast kept it all our part
For us, their sons, in store,
Good cause have we to worship Thee
And love Thee still the more.

Then help us, Lord, to render Thee
True praise with heart and voice,
For Thou hast been our father's God,
And shalt be ours by choice;
And, as unto provincial state,
Our land hath now attained,
We ask that ever Alberta's laws
May righteousness maintain.

Our governors, our magistrates
And legislators guide,
That, under them, our people may
In peaceful paths abide;
And if Thou bless our toil, our land
Shall then so prosperous be,
Our empire-province shall be famed
As well-beloved of Thee.

ALBERTA

The new province of Alberta, which has now become a part of the Dominion, will be the fourth largest in power. British Columbia takes first place in extent of territory with an area of 372,629 square miles, Quebec contains 351,873 square miles, and Ontario 260,582 square miles, while Alberta has 253,500 square miles.

Some conception of the extent of the new province can be obtained by comparison with other countries. For instance, comparing it with districts in the United States, the new province will be nearly six times as large as the great State of New York, with its seven and a quarter millions; it will be five times as great as the State of Illinois, with its population of five millions; it will be seven times as large as the State of Indiana, with its population of two and a half millions.

To compare Alberta with some of the world-famous States of Europe, it is twice as large as England, Wales, Scotland and Ireland, with their immense population of forty-two million people; it is much greater than the German Empire in Europe, with its population of thirty-six and three-quarter millions; it is much greater than the Republic of France in Europe, with its population of thirty-nine millions.

The bill creating the province provides that it shall be represented in the Senate of Canada by four members and in the House of Commons by five members, the number in the lower house being readjusted from time to time according to population. It shall have a lieutenant-governor and a legislative assembly, to be composed at the outset of twenty-five members.

The wealth of the great province of Alberta is almost incalculable; its soil will compare favorably with the best and most productive farming lands in the world. It is adapted to all kinds of farming, and every year is giving further proof of the richness of the natural resources of this part of Canada.

The new districts of Athabasca and Peace River, which now comprise Northern Alberta, make a valuable addition to the heritage of this great province. In these districts are found very fine farming lands, as well as a wealth of furs and fish that will form a source of untold wealth for this province for years to come.

The possibilities of Alberta are not half discovered yet, the true greatness of the province is comparatively unknown, but with her own provincial administration of affairs the promises for the future are bright indeed.

HAIL, ALBERTA

(Tune: "Rule, Britannia.")

These fertile plains, where roamed at will

The Indian hunter of the past; These plains, which farmers now do till,

Become today a province vast, Hail Alberta, fair and grand, The noblest province of our land.

With such a land, so richly blest In climate, soil and wealth of mine; Thy sons so sturdy will not rest Until the foremost place be thine, Hail, Alberta, etc.

By equal rights assured to all, Oppression, wrong allowed to mine, Ne'er shall our empire province fall Until that time itself has run, Hail, Alberta, etc.

ALTA.

The Celebration

Continued from page four.

derived from last night's entertainment was sufficient to make me wish to visit you again.

The happy-looking, healthy, handsome audience, and the grace and refinement as well as the distinction of the program, especially when I reflected upon the fact that it was your own home growth, made me believe that the future of Alberta assured for you is indeed very great. This day marks the assumption of new responsibilities, the addition of a new self-governing province to the Confederation of Canada. This day is a self-sufficient day in the history of the Empire of the King, and it will bring strength and added lustre to the British Crown. I have had the most satisfying hopes, and after my experience of this visit have the most confident expectations that you will realize great things in this new province.

The fertility of your lands, the service of your railways, your cold storage facilities, and your Dominion experimental farms have all done much to make this province what it is. Some of these things you have to thank the Dominion Government so happily represented here today in the distinguished person of Sir Wilfrid Laurier, my Prime Minister.

You enjoy the opportunity within the reach of all, of a happy and comfortable home in an ideal climate under a just and freedom-loving government, an opportunity that many in the old country are reaching out for.

That you may assimilate all who come and grow up together a united, cultured, righteous, God-fearing people, the Governor-General of Canada, the King's representative here, do most fervently pray.

Clerk of the Privy Council, J. J. McGee announced promptly at 12 o'clock, the appointment of George Hedley Vickers as Lieutenant-Governor of Alberta. Inspector Knight read the commission making the appointment and Lieutenant-Governor Bullock was sworn in by J. J. McGee, during the ceremony the guns on the hill boomed out a royal salute. Immediately upon being sworn in an address was presented to the Lieutenant-Governor by Mayor McKenzie.

In response Governor Bullock spoke of the responsibilities which the assumption of the office placed upon him. The day of experiment in the West had passed. He trusted and hoped that by Divine help he would so conduct affairs of office that people would not have cause to regret the commission when read upon record.

The mayor introduced Sir Wilfrid Laurier saying he was sure the audience would be pleased to hear a few remarks from the Prime Minister.

Hon. Wm. Patterson was pleased to be present. He had been much impressed by the splendid concert held the previous evening and also by the parade in the morning, in which so many coming citizens of the Province had taken part, and by the multitude present at the ceremony. He was also pleased at the manifestation of development noticeable throughout this part of the country. There was now an unbroken line of provinces from Atlantic to Pacific, and might some day be another carved out of unutilized territory on the third ocean which washes the shores of Canada.

Sir Gilbert also spoke saying Great Britain depended on Canada for food in peace and war.

The ceremonies concluded, the dignitaries left the stand and the crowd slowly dispersed for lunch. The stand was taken down to clear the track for the racing events and the afternoon's program of sports began.

CROWDED TRAINS

Thursday's regular passenger train was run in two sections, the first running on schedule time for the general public and the second section following a half hour or so later, bringing the cars containing the Vice Royal and Parliamentary parties and American agricultural editors.

The first section was about two hours late and the second was correspondingly delayed.

The first train brought fully five hundred people from points in Southern Alberta and along the C. & E.

The second section arrived in Strathcona about 7 o'clock and was brought over the E. Y. & P. about 8 o'clock. The guests were met at the station by Mayor McKenzie and the city aldermen and escorted to the celebration headquarters at Alberta College, whence they proceeded to the rink to attend the concert.

SOME OF THE VISITORS

Among the notable guests who attended the celebration were Earl Grey, Governor-General of the Dominion, Sir Wilfrid Laurier and Mrs. Laurier, Sir Gilbert Parker, Hon. Wm. Patterson, W. F. McLean, M.P., and Mrs. McLean, Senator Wasmuth, Senator Loughhead, M. S. McCarthy, M. P., A. E. Kemp, M. P., P. T. Hoel, M.P., and wife, J. E. Campbell, M.P., Geo. D. Grant, M.P., Chief Justice and Mrs. Sifton, J. W. Wood, M.L.A., Carleton, L. J. A. Lambart, M.L.A., St. Albert, J. W. Storr, M.L.A., Lethbridge, R. H. Bennett, M.L.A., Calgary, M. A. Munn, M.L.A., Moosejaw, J. T. Pethane, J. J. McGee, Clerk of the Privy Council, J. McKenna, Deputy Superintendent of Indian Affairs, H. E. A. Leach, Inspector of Land Offices, D. McGillicuddy, John Stocks, Deputy Commissioner of Public Works, J. A. Calder, late Deputy Commissioner of Education, R. R. Jamieson, Superintendent of the Central Division, C. P. R.
